

Lakes of the Four Seasons Girl's Softball Association

2010 Team Sponsorships

Welcome to the 2010 Season of the LOFS Girls Softball Association. Once again, we are excitedly looking forward to the upcoming season, and once again, the LOFS Girls Softball Board is hard at work preparing for the fun times ahead. We have just begun to "break ground" on major improvements to our league and our fields of play, and in doing so, have created the opportunity for additional sponsorship and advertisement at our game site.

In the past, we offered those interested in sponsoring our girls the opportunity to advertise on a team's jersey, plus a spot in the player's handbook and on a banner hanging at the field. This year is a little different. We are offering four levels of Sponsorship—each one good for the length of the season and the year 2010. The following levels are available:

Single: \$250.00 Sponsorship

- Logo on Team's Jerseys (Single color)
- Logo on Banner hung on Concessions
- 1/2 page ad in player's handbook
- Sponsorship plaque

Double: \$500.00 Sponsorship

- Logo on Team's Jersey (single color)
- Logo on Metal 12"x18" sign hung on field
- 1/2 page ad in player's handbook
- Sponsorship plaque

Triple: \$750.00 Sponsorship

- Logo on Team's Jerseys (single color)
- Logo on Metal 18"x 24" sign hung at field
- 1/2 page ad in player's handbook
- Sponsorship plaque

Home Run: \$1,000.00 Sponsorship

- Logo on Team's Jersey (single color)
- Logo on Metal 24"x36" sign hung at field
- Full page ad in player's handbook
- Field called sponsor name for season
- Sponsorship Plaque

All metal signs have up to three colors on them. Anyone wanting to sponsor a higher amount (GRAND SLAM) can contact President Joe Swanson (219-226-0668) or Vice President Tom Marcheschi (219-313-0463) for special considerations. Names on the teams are first come/first serve until all teams are filled. Your sponsorship will not only aid in advertising your organization, but more importantly, aid our girls in improved conditions and equipment on their fields.

We at LOFS Girl's Softball know all too well 2009 has been a difficult economic year, and the ability to help out with sponsorships may be limited. Please understand that this is the way LOFS Girls Softball obtains funds to purchase equipment, offer training, tournament fees, field upgrades, and other advancements for our girls. Your ability and generosity in sponsorships is greatly appreciated. **Thanks to our Community for all you do for LOFS Girls Softball!!**
